Headline:
Windy with bright spells and heavy showers.

Today:
Bright spells and occasional showers throughout the day. The showers will give some heavy downpours in places and may be mixed with hail, with the showers becoming more frequent for a time mid-afternoon. Feeling cold in the strong wind. Maximum temperature 8 deg C (46 deg F).

Tonight:
Lingering showers soon fade leaving a dry and cold evening with clear skies. Further showers return after midnight, these falling as rain near the coast, but wintry in places inland. Minimum temperature -1 deg C (30 deg F).

Thursday:
Any wintry showers on Thursday morning soon clear leaving a dry and bight day for most. Clouding over from the west in the afternoon, with rain arriving for the evening. Maximum temperature 6 deg C (43 deg F).

Outlook for Friday to Sunday:
Overnight rain clears before dawn Friday leaving a largely dry and bright day. Further rain Friday evening, then unsettled and very windy on Saturday. Sunshine and isolated showers on Sunday.
